Happy Holidays

Greetings!

A WONDERFUL FRIEND sent me this gift and I am sending this to all my fabulous subscribers. Now you can Feed It Forward. Isn't this just the greatest?

RESTAURANT.COM/FEED IT FORWARD

Feed It Forward--As the nation's leading website for restaurants and restaurant gift certificates, Restaurant.com connects restaurant seekers and food lovers to savings at more than 9,000 restaurants nationwide. Restaurant.com's Feed It Forward™ will donate \$30 million in free restaurant gift certificates - over 30 days - and allow you to treat friends, family, and colleagues - anyone deserving - to savings on a great meal out. When you Feed It Forward™, you have the opportunity, every day for 30 days, to enrich lives by giving the gift of meals and memories. Now until Christmas, you simply choose whom to give to, and we take care of the rest. Each person that receives a gift through the giving site can help Feed it Forward™, by giving free restaurant gift certificates to others.

Sincerely,
