Greetings!

Well, I hope everyone have a good week
I went and played bunco on Friday night. I got my dates confused and thought it was Earth Hour on Friday night and what a better way to not use electric, but to be out of the house.
DUH!! It was Saturday night. But I did it. I was home all day. around 7:50PM, I turned off the computer, the lights and retired to my bed for a nap It felt good doing my little bit for the earth
I was supposed to go with my Synergy Group and clean up a section of Route 18, part of the Adopt-A-Highway Program on Saturday morning But for some reason it's on hold. So while they have their Bull Sessions, "We" have to content with all the crap on the sides of the roads
There are times I just want to stop and pick it up With my luck I'd get a ticket for some silly reason. (Impersonating a clean-up person)

I can't tell you how many times, I wish there was a law to give tickets to those "butt" throwers. OHHHHH and when they dump the whole ash tray out the window AAAAGGGHHHH I want to scream. And it's not just "smokers". The trash on the sides of the roads only got there because someone threw it there. Isn't it bad enough that here in Central Jersey we have to put up with those idiots who think we are from "Joisey"?

The ones that think Jersey is nothing but chemical plants, polluted waters, crime, filth in the streets, etc Let's bring back Jersey to what it's supposed to be THE GARDEN STATE
Carry a small bag for your trash in your car and throw it away in the proper place, not out your window
