Month Year

### Greetings!

Rain Rain Go Away!!  
 Or as my father used to say  
 Do you think the rain will hurt the rhubarb?  
 I grew up thinking that rhubarb was something he  
 made up.  
 According to my Sonny Bunny we are not in  
 the season of Spring.  
 She said "It's not spring, because it does not rain in Spring"  
 Have a good rest of the week  
 Lynn
