**FREE Online Handicapping Contest**

You can register from NOW until Saturday, May 23 at 11AM

This contest is easy and fun for both  
 new fans and seasoned railbirds. Three races are selected  
 each day and players must select one horse in each race.  
 If any of the three picks hit the board, the player "survives"  
 and moves on to the next day of competition.

The contest runs from Saturday, May 23--Monday,  
 September 7

The Grand Prize is a spot in the DRF/NTRA National  
 Handicapping Contest in Las Vegas and includes airfare and  
 other travel expenses. Other prizes include round trip airfare to  
 anywhere in the Continental U.S. and iPods.
