## BIZETURTLE

Just wanted to spread the news that BIZETURTLE IS MINE!!  
I went to Freehold and registered the name.  
Then I went and opened a business bank account under the name.  
I have one year to become a non-profit organization.  
The business bank account is free for the first year  
After that I have to obtain a \$1000 minimum or pay \$25 a month.  
If anyone has knowledge on how to become a  
non-profit in NJ, I could use the help.

**Keeping Bize in Turtle Time.**  
**Every one is Bize (busy), we just need**  
**to turtle (slow) down and spend time with each other**
