Gas Rations

**Governor Chris Christie took action to
prevent a fuel shortage and ease the
problem of extended wait times and lines at
gas stations by signing Executive Order 108,
declaring a limited state of energy emergency
with regard to the supply of motor fuel and
implementing odd-even rationing for
gasoline purchases in 12 New Jersey counties.
Odd-even fuel sales will take effect in the following
counties at noon on Saturday, November 3, 2012:
Bergen, Essex, Hudson, Hunterdon, Middlesex,
Morris,
Monmouth, Passaic, Somerset, Sussex, Union, and
Warren.**

**All retail dealers of motor fuel
will be required to only sell motor fuel for use
in a passenger automobile bearing license plates,
the last number of which is an even number, on
even numbered days of each month.
Likewise sales will only be permitted to
passenger automobiles bearing license plates
ending in odd numbers on odd numbered days of the
month.**

Specialized plates - or those not displaying a number

-

will be considered odd numbered plates.
